

Applicant: **GREEN YOUR ROUTE P.C.**  
44, KSENOFONTOS STR., VOLOS, GR 383 33  
GREECE

Application: **Green Your Route Platform**

Standard: **ISO 14034:2016**

**ENVIRONMENTAL TECHNOLOGY VERIFICATION**

**LETRINA S.A.** Certification Body verifies all performance test data for the aforementioned environmental technology application, according to the relevant verification plan, as described within this statement's attached audit report and the above standard's requirements.

Statement No: **ETV - 0001**

Issued on: 21/04/2023

Valid until: 20/04/2026

Validity of this statement assumes the environmental technology application's constant compliance with present conditions during its verification procedure. In any case of significant changes to the application's functions and verification data, a re-examination of this statement's validity from the Certification Body is required.
